

*March 2026*

Dear Friends,

Then He who sat on the throne said, "Behold, I make all things new." And He said to me, "Write, for these words are true and faithful." (Revelation 21:5)

Yes, these words are **true** and **faithful**!

What a powerful statement. I would encourage you to meditate on the entire verse. One word from God can and will change your life forever.

These words come from, "***He who sat on the throne***". Who is being referred to here? Of course, it is none other than the King of Kings and the Lord of Lords. This person is the resurrected one who has been given a name higher than any other!

Therefore, God also has highly exalted Him and given Him the name which is above every name. (Philippians 2:9)

God the Father placed Jesus on the throne.

Who has gone into heaven and is at the right hand of God, angels and authorities and powers having been made subject to Him. (1 Peter 3:22)

## NEWSLETTER

Anything that has been decreed from this throne must be! If the highest authority in the universe declares, "I make all things new," then that is exactly what will happen. In fact, there is no chance of it not coming to pass. He says that it is He Himself who is doing it! Think about this – He who created everything, is now declaring to make all things new. Not some things, all things!

Behold literally means – "just watch"! If you will take this word to heart, you will be able to literally see everything being made new. This means that there is nothing that can hold you back – nothing can bind you to the past!

And because this is an irrefutable truth, He says, "Write these words down". Our God who cannot lie is pleased to have this written down. Liars hope that we will not remember what they told us and do not want the facts to be recorded. Our God says, "Write it down and just watch and see if what I said is true or not! You will see that these words are true and faithful!"

Your Pastor and Friend,

Rande L. Loucks
